

Natrona County Conservation District Conservation Seedling Tree & Shrub Program

Basic Tree Information:

- ~ Bare-root (non-potted) seedlings are sold in bundles of 10 or 25, dependent upon size. Seedlings are sold ONLY in the bundle sizes indicated on the order form. Bundles will not be split.
 - **10-24"** (previously **CG - Conservation Grade**) 1st year growth, sold in **bundles of 25**
 - **2-3'** 2nd year growth, sold in **bundles of 25**
 - **3'+** 2nd or 3rd year growth dependent upon species, sold in **bundles of 10** – will include trees from 3' to 5'
- ~ There is an abundance of information on tree selection on the internet and on our website, www.nccdwyoming.com.
- ~ Every species will not grow in every location! While all species offered are winter hardy, plant growth and survival depend upon proper planting location, care, protection, soil-type, water availability and weather conditions. Plan ahead – research species, soils, verify water availability and quality, provide protection from wildlife or livestock, and prepare for extra care during the first few years of growth, particularly in extreme weather conditions.

Ordering Information:

- ~ **ORDER EARLY.** Can't emphasize enough! **Orders will be taken thru April 10, 2027, pending availability.** The nurseries reserve the right to cancel all or any portion of orders due to any reason.
- ~ Three ways to order - please check the website, www.nccdwyoming.com for the most up to date order form.
 - **Email** - lisa.ogden@wy.nacdnet.net (I will confirm when I receive your email - if you do not receive a confirmation within 5 working days, please call the number below).
 - **Phone** - 307-261-5436, ext. 4
 - **Mail** – NCCD, 5880 Enterprise Drive, Suite 100, Casper, WY 82609.
- ~ Availability of tree stock changes rapidly as species sell out at the nursery, so NCCD utilizes the following policy:
 - **After NCCD receives your order**, your seedlings will be ordered from the nursery. If stock is sold out on a species ordered, you will receive an email with options.
 - **Final and full payment is due the latest of April 20, 2027.**
 - If the nursery removes a species after you have paid for your order, you can choose a different species or receive a refund.
 - Please, no order cancellations after February 15, 2027.
- ~ Checks can be mailed to the above address. A QuickBooks invoice will be emailed to you for online payment by credit card. If you prefer to pay in person, please call the number below to ensure I am in the office.

Tree Arrival:

- ~ Seedling trees will arrive early in May of 2027. You will be updated as to the details as the time approaches.
